patents **Patents** Patents **1 - 10** on **inventory transaction initiated remote database synchronization**. (0.05 seconds)▸ **List view**[Cover view](#)▸ **Sort by relevance**[Sort by date \(new first\)](#)[Sort by date \(old first\)](#)▸ **Any status**[Issued patents](#)[Applications](#)Hybrid **replication** scheme with **data** and actions for wireless devices

US Pat. 7032003 - Filed Aug 13, 2001 - Union Gold Holdings, Ltd.

The designations "local" and "**remote**" are for convenience only; the **data** ...
501
and control proceeds immediately to a **Transaction Initiated** step 503
where ...

Method and apparatus for peer-to-peer **data replication**

US Pat. 5806075 - Filed Jan 14, 1997 - Oracle Corporation

Transactions Table 15 50 The **Transaction** Table contains information
about

transactions that are performed on the **data** and that use deferred **remote**
procedure ...

Method and apparatus for peer-to-peer **data replication**
including handling ...

US Pat. 5737601 - Filed Jan 16, 1997 - Oracle Corporation

The information stored in 35 **remote** site) at which a **transaction** is to be ...
actions that are performed on the **data** and that use deferred **inventory**
check).

...

[APPLICATION] Extensible **remote data synchronization**

US Pat. 10742463 - Filed Dec 19, 2003 - Microsoft Corporation

However, user-**initiated** worksheets could still be provided for the **Sync**
Store

Database worksheet and the execute SQL Statement worksheet. ...

Addressability system

US Pat. 6070001 - Filed Aug 12, 1996 - CSG Systems, Inc.

The **data** required for this type of addressable **transaction** is preferably
identical to ... may be changed at both a customer location and within
inventory

. ...

Networked disposal and sample provisioning apparatus

US Pat. 7344063 - Filed Jul 21, 2006 - Ikan Technologies Inc.

The scan operation can be **initiated** by the user activating a 55 scan key
or ...

The **transactions** with the **remote database** 7004 can be securely
performed, ...

Networked disposal and information distribution apparatus

US Pat. 7080777 - Filed Feb 24, 2004 - Ikan Technologies Inc.

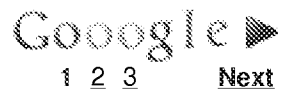

The scan operation can be **initiated** by the user activating a 15 scan key
or ...

The **transactions** with the **remote database** 7004 can be securely
performed, ...

Networked waste processing apparatus

US Pat. 7328842 - Filed Feb 24, 2004 - Ikan Technologies Inc.

The scan operation can be **initiated** by the user activating a scan key or can

inventory transaction initiated remote databas **Search Patents**
